12/5/94

FROM : SA [] C-31

SUBJECT: BURT KAPLAN, ET AL;
TTT;
OO - NEW YORK

On December 2, 1994, SAs [] met with Assistant United States Attorney (AUSA) [] Eastern District of New York (EDNY) concerning captioned matter.

[] said that this case, previously assigned to AUSA [] has now been reassigned to her. She said that she has had recent discussions with AUSA [] officials of the Drug Enforcement Administration (DEA) and other FBI agents concerning the status of existing evidence pertaining to KAPLAN. In addition, [] said she has been reviewing documents and other evidentiary material in her possession in an effort to decide the most expedient prosecutive course to be taken.

[] opined that if she were to initiate a federal prosecution against KAPLAN via a "complaint", a marijuana charge investigated by the DEA would appear to carry the most severe punitive consequences for KAPLAN at this time. [] stated, however, that her preference would be to collate all of the fragmented evidence which exists in several collateral investigations that pertain to KAPLAN. The latter strategy would presumably produce additional criminal charges and would provide [] with an enhanced ability to obtain a conviction against Kaplan should he decide to stand trial. GS

SA [] thereafter provided [] with specific details of the evidence developed against KAPLAN in this particular investigation. In addition, SA [] provided [] with an overview of the current intelligence base that exists with respect to KAPLAN. As part of this overview, SA [] also identified witnesses who have signed cooperation agreements with the EDNY and, pursuant to those agreements, have either committed themselves to testify and/or provide continuing information relevant to KAPLAN's criminal activities.

[] requested another meeting with SA [] along with an appropriate representative of the U.S. Customs Service. The purpose of the next meeting would be to discuss the strength of the evidence pertaining specifically to the "counterfeit clothing" violations investigated jointly by the FBI and U.S. Customs.
